MICROENTERPRISE DEVELOPMENT (MD) USBONG ASSESSMENT TOOL

GENERAL INSTRUCTIONS

The MD Usbong Final Assessment Tool will be used to track and analyze the results of the monitoring and assessment visits during the Usbong Implementation Phase (Phase 2) and to determine who will qualify for the provision of the Project Development and Advancement Grant (PDAG).

Specific points to take note of during the annual assessment:

a. Use the accomplished MD Monitoring and Organization Assessment Tools as references for the Project/Association Status.
b. Input the corresponding **Project/Association rating score** per success indicator based on the **Descriptive Rating** matrices.
c. Use the **"Description"** box for additional remarks and/or observations on the Project and SLPA Association.
d. Once the sub-level scores are computed, refer to the **Rating Guide** for Project Status and SLP Association **to determine the corresponding Project/Association Status Levels and the Overall Livelihood Assessment.**
